

IMMEDIATE RELEASE:

The Health Value Awards Announces Finalists

Boston, MASS (March 15, 2018)- [World Congress](#), [The Health Rosetta Institute](#) and [The Validation Institute](#) are pleased to announce the finalists for The 2018 Health Value Awards (HVA). More than 350 health care organizations and employers were nominated in 13 categories.. Finalists in honorary categories – Outstanding Benefits Professional (Purchaser), Outstanding Benefits Broker, or Consultant Leadership, Lifetime Achievement Benefits Professional (Purchaser), and Public Leadership will be reviewed by our expert panel of judges. Non-validated categories include: Small Employer Groups, Mid-Sized Employer Groups and Large Employer Groups. Finalists in validated categories - Third Party Administrators, Direct Care Providers and Product/Program Providers - will have their performance calculation methodologies validated by the Validation Institute to be eligible for an award. The deadline for validation is March 15. Once validated, each finalist application will be independently reviewed by our panel of nationally prominent judges. The HVA team may ask finalists in both validated and non-validated categories for additional information that can assist the judges' evaluation. Winners for both validated and non-validated categories will be contacted by March 30th.

This competition's goal is to shine a bright light on health care organizations that consistently deliver significant value, relative to their peers, and that promote essential price and outcomes transparency. The HVA team was delighted by the quality of submissions, including strong competitors that did not make the finalist list.

We believe the excellence on display in these firms is indicative of high performance that is readily available and deserving of attention in the US health care marketplace. We feel privileged to showcase these organizations, based solely on their performance.

The [2018 Health Value Awards](#) ceremony will take place on Sunday, April 29, 2018 (5:20 pm - 6:20 pm EST) during [the The Employer Health Care Cost and Quality Congress](#), Thurgood Marshall Room, Marriott Wardman Park, Washington, DC. All HVA entrants are eligible for one complimentary conference registration.

About World Health Care Congress

The Annual World Health Care Congress, organized by the World Congress will take place from 29th April to the 2nd May 2018 at the Washington Marriott Wardman Park Hotel in Washington, United States Of America. The conference will cover areas like focus on critical challenges and opportunities including the impact of ACA implementation on health care businesses one year in, payer and provider consolidation, new approaches to value-based payment, and novel partnerships with the true potential to move the needle on care coordination and delivery.

About Health Rosetta

Health Rosetta is the blueprint for high- performance health benefits. It's a practical approach built on what successful purchasers do. We drive its adoption by growing an emerging ecosystem. Think of us as the LEED ecosystem for investing in health benefits

About the Validation Institute

The goal of Care Innovations™ Validation Institute's is to help organizations involved in population health — from Health Plans to Employers to Vendors — adhere to the highest standards of validity, allowing them to compete on the basis of integrity and performance. The Validation Institute's Trusted Community is made up of companies that have had outcome claims and/or contractual language validated by one of our 3rd party, independent validators. Al Lewis, CEO, Quizzify, is a founder of the Validation Institute.
